Violence and Injury Prevention Core Course September 2009 October 2009	Injury and violence training in core competency (Jodi) completed and demonstrated success through improvement of scores. Next step is to provide roll-out to rest of state. Funding requested through October 2010. Suggestions for how to roll out pieces of training. Will send ideas to Jodi for center for Educational	Send ideas for continuing education topics to Jodi	

	training topic.		
Goals Accomplishments for 2009	Infrastructure development	<p>Gap analysis of each data base being done by members of advisory council. Gene asked for purpose of exercise:</p> <ul style="list-style-type: none"> -What is the focus of each data base? -What pieces relate to injury prevention and risk factors? -What are the strengths and limitations of each data base? -What information relates back to site? -What are gaps? 	Data needs to be submitted by December 7 th .
STIPDA Membership	Dawn recommends membership to STIPDA - \$100 per individual She also recommended that everyone sign up for Injury Center Connection thru CDC.		
Coding Issues	E – coding to be improved in hospitals – 7 trauma centers to be contacted. Grant money for Susan to visit each trauma center and for Jodi to run database. Issue is with flow of data from trauma center to ISDH.		
Next meeting March 18, 2010	March 18 th meeting will run from 10AM-3PM	Goal to do strategic planning in March
